Plans, specifications, and conditions of tender may be obtained from the Department of Highways and Public Works, 3876 Norland Avenue, Burnaby, B.C., V5G 3T3 (telephone 294-4711), or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable.

Construction of this contract shall conform to the requirements of the applicable sections of the Department of Highways and Public Works "General Specifications for Highway Construction." If the bidder does not already have a copy of these

specifications, one may be obtained from the Department of Highways and Public Works, 3876 Norland Avenue, Burnaby, B.C. V5G 3T3, or from the undersigned for the sum of \$10 (cheque or money order made payable to the Minister of Finance), which is not refundable. All copies purchased are registered and amendments are forwarded when issued.

Each tender must be accompanied by a bid bond or a certified cheque in accordance with clause (a) or clause (b) below:

(a) Where the total tender price exceeds \$100,000 a surety bid bond in an amount equal to 10 per cent of the tender price must accompany each tender. A performance bond and a labour and material payment bond, each in the amount of 50 per cent of the tendered sum, in a form acceptable to the Minister of Finance, must then be provided by the successful bidder upon receipt of notice of acceptance of tender. The surety bid bond shall be forfeited if the tenderer declines to enter into a contract if called upon to do so.

Tenders must be made out on the forms supplied and enclosed in the envelope furnished.

The tender submitted is irrevocable for 60 days and may not be altered, amended, or withdrawn for any cause without the written permission of the Minister.

Tenderers are advised that all bidders will be required to satisfy the Minister of Highways and Public Works in writing, that they have the necessary qualifications to successfully perform the work. It is preferred that tenderers submit with their tenders a list stating the type, capacity, and present location (so that inspection can be made if necessary) of the equipment in their possession or at their disposal which is immediately available for the carrying-out of the work within the time limit specified without in any way curtailing or delaying any Departmental project that may be under contract at this date.

No tender will be accepted or considered which contains an escalator clause or any other qualifying conditions, and the lowest or any tender will not necessarily be accepted.

It is preferred that tenderers submit with their tenders a schedule of proposed construction operations showing estimated monthly progress for each phase of the construction work.

 Canada:

Province of British Columbia

No. 1070

I HEREBY CERTIFY that "Cedar Village Housing Co-operative" has this day been incorporated as an association under the *Co-operative Associations Act* and that the denomination of its shares is \$10 each.

The registered office of the Association will be situate at Vancouver, Province of British Columbia.

Given under my hand and seal of office at Victoria, B.C., this 2nd day of February 1976.

(b) To provide housing accommodation of any class or kind for persons, at least the majority of whom are members of the Association, who will occupy the housing accommodation otherwise than as owners, and who if members of the Association have subscribed for shares of the Association equivalent to the capital value of the unit of accommodation which they occupy or intend to occupy, and,

without limiting the generality of the foregoing, for that purpose, to own and to buy, sell, lease, exchange, acquire, and dispose of, and to construct, renovate, remodel and repair, and to operate, manage, and maintain lands, buildings, and chattels for residential purposes and uses ancillary thereto for members and other persons to whom the Association provides or intends to provide housing accommodation:

(c) Subject to the *Co-operative Associations Act*, to enter into partnership or joint ventures with, to lend money to, to guarantee or become surety for the indebtedness or obligations of any corporation organized on a co-operative or non-profit basis.

The objects specified in each paragraph hereof shall in no way be limited by reference to or inference from the terms of any other paragraph or the name of the Association and the Association shall have as ancillary and incidental those powers granted by the *Co-operative Associations Act* as may be amended from time to time.

(a) Save as herein provided (i) no part of the income of the Association shall be payable to or otherwise available for the personal benefit of any proprietor, member, or shareholder of the Association; (ii) no part of the assets or property of the Association may be paid or distributed to the members of the Association during the existence of the Association or upon a winding-up or dissolution; (iii) no dividend shall be paid by the Association in respect of shares:

(b) The Association, upon a person ceasing to occupy housing accommodation provided by the Association, may pay to that person (i) the amount paid on account of shares of the Association; (ii) an amount which bears the same ratio to the amount paid on account of shares of the Association as the amount of any increase of the Canadian city average of the Consumer Price Index of Statistics Canada or any successor or substituted index or agency (the Consumer Price Index) from the date on which the person commenced to occupy housing accommodation pursuant to his lease to the first day of the month immediately preceding the date of the person's application to withdraw from membership in the Association bears to the Consumer Price Index on the date on which the person commenced to occupy housing accommodation provided by the Association. If the form, basis, or method of reporting of the Consumer Price Index shall be changed so that any calculation under this clause (ii) cannot be made on a consistent basis then there may be substituted for the Consumer Price Index an index certified by the auditor of the Association to be an adequate and consistent basis for the calculation of the amount permitted to be paid under this clause; (iii) the actual cost, less depreciation as determined by the directors of the Association at the date of the person ceasing to occupy a unit of housing accommodation provided by the Association, of approved improvements to the unit of housing accommodation occupied by the person to an amount not exceeding 10 per cent of the value of the unit, as determined by the directors of the Association at the date the person ceases to occupy the unit of housing accommodation:

(c) The Association may make (i) an allocation in proportion to patronage in relation to the amount paid for housing accommodation provided by the Association so long as such allocation is made

at the same rate in relation to the amount paid for housing accommodation to all persons who paid rent to the Association in proportion to the amount of rent so paid by the persons without regard to whether those persons are members of the Association or not; and (ii) a distribution of surplus by way of an adjustment or reduction of rental paid or payable with respect to accommodation provided by the Association so long as the distribution is made to all persons in the same proportion as rent is paid or payable by those persons for the accommodation without regard to whether those persons are members of the Association or not:

(d) Nothing in this section shall prohibit the Association from paying any bona fide indebtedness and interest thereon to any proprietor, member, or shareholder:
